### Have your say

Is there an issue affecting the Borough that you believe needs to be investigated?

- Is there a service that you feel is not delivering?
- Are you aware of a decision that needs to be challenged?

Your local councillors are able to investigate and review any issue or decision that can affect the wellbeing of the people

of Swindon through the use of the Overview and Scrutiny function. If you feel that you have an answer to any of the questions above then you can get involved in improving the Borough that we live in.
